## **CODE OF PRACTICE FOR PUBLIC FIREWORK DISPLAYS**

### **Conforming to Health and Safety Executive publication HSG124 “Giving your own firework display”**

- Fireworks displays may only be given with prior consent of Hope Sports Club
- Fireworks displays must comply with the requirements of Hope Sports Club’s Public Liability Insurance
- Fireworks displays must comply with the Health and Safety Executive publication HSG124 “Giving your own fireworks display”
- For each display, a number of persons needs to be appointed with the following specific responsibilities: -
  - Event coordinator
  - Person responsible for the contacting and notification of those listed in HSG124
  - Person responsible for the ordering, storing and setting off of fireworks
  - At least one additional person to assist in the setting off of fireworks
  - Person responsible for crowd safety
  - At least 2 additional crowd safety marshals
  - Qualified First Aider
  - Nominated emergency situation coordinator
- The prevailing wind is from the south west and the display area needs to be planned around this, however this may change on the day and consideration needs to be given as to how the display area could be arranged should the need arise
- Fireworks should be stored for no more than 2 days in the locked store at the end of Hope Sports Club Pavilion
- On the day of the event, tape barriers should be used to cordon off the safe area
- For details on all aspects of the event please see attached publication HSG124
